We are a manufacturer of Sublimation friendly Activewear!

With our production plant in Toluca, Mexico; we are able to supply duty free dye-sublimation apparel to the United States, Canada, Chile, Colombia, Uruguay, Israel, Japan, Central America and the European Union. Wherever dye sub printers are located... WE DELIVER!

Our designers have the mandate to match the needs of the athletic enthusiast with the latest printing techniques, as well as being suitable for any printing business owner.

The combination of moisture wicking technology and our unique products designed especially for the dye sublimation printing community are Atlatl Athletic Wear signature!
